

Community Boundaries

Set For ASC Committee

Elections

The Coffee County ASC Committee has reviewed and set community boundaries for the ASCS community committee elections to be held between November 23 and December 1. "This is one of the last steps in administering the annual ASC farm committee elections," said Robert English, Chairperson of the Coffee County ASC Committee.

Coffee County has 14 ASC communities. ASC communities are local administrative areas which help provide farmers with effective farm program administration. According to English, these areas are reviewed yearly to determine whether newly-chosen boundaries would benefit farmers.

A list of ASC communities, a boundary map, and election materials are available to the public at the ASCS office in New Brockton. The ASC communities in Coffee County are as follows: Community A composed of Beats 1 & 18; Community B composed of Beats 19 & 20; Community C composed of Beats 3, 4, 5 & 15; Community D composed of Beats 6, 21 & 22; Community E composed of Beats 10 & 11; Community F composed of Beats 9 & 12; Community G composed of Beat 7; Community H composed of Beat 8; Community I composed of Beats 14, 16 & 23; Community J composed of Beat 17.

Details concerning the upcoming election will be announced as they occur. Participation in ASC elections is open to all eligible farmers regardless of race, religion, sex, color and national origin.

COFFEE COUNTY 4-H'ers participating in the Alabama State Fair in Birmingham were: L-R: Troy Dennis, Bo Boyd and Brian McLeod. Troy, son of Mr. and Mrs. Sammy Dennis of Rt. 4, Enterprise, placed second in his class with his Chinianha heifer. Bo, son of Mr. and Mrs. Lee Boyd of New Brockton, placed first in the Polled Hereford class, and his Chinianha heifer placed third in her class. Brian, son of Mr. and Mrs. Richard McLeod of Rt. 2, Troy, placed eighth in Junior Showmanship out of 50 contestants. He also placed second in his Chinianha class.

VA May Be Able To Help Veterans With Mortgage Problems

The recent upturn in the economy should provide good news for some veteran homeowners who have been unable to meet their mortgage obligations due to layoffs or reduced employment. However, Montgomery Veterans Administra-

tion Loan Guaranty Officer Henry Moody says the VA is aware that borrowers who will not immediately be able to resume working may be among those who need more time to fully reinstate delinquent home mortgages.

Terrace Maintenance Discussed

How have your terraces carried the water this year? Are they breaking over and causing erosion? If so, you can prevent the problem with simple maintenance. The height, storage capacity and outlet of terraces should be maintained each year. Terraces that have storage capacity in underground outlet systems frequently have

problems with the pipe risers stopping up. This is caused by crop litter and sediment accumulation around the pipe. The crop litter should be cleared out and the outlet should be cleaned out all debris such as crop litter and sediment. They should be discharged on areas where the water will not cause an erosion problem.

The best way to prevent this is to maintain a flat border around the terrace for the water to spread out on. Terrace maintenance reminds me of the saying that "an ounce of prevention is worth a pound of cure."

It would be cheaper to maintain the terrace annually rather than letting them erode down and having to rebuild them. For more information call the Soil Conservation Office in New Brockton at 894-6332.

Final 1984 Crop Soybean Loan And Purchase Rate Set

The final loan and purchase rate for 1984 crop soybeans will be \$5.02 per bushel, the same as the preliminary rate announced earlier and the minimum permitted by law, according to a U.S. Department of Agriculture official.

Everett Rank, Administrator of USDA's Agricultural Stabilization and Conservation Service, said production of 1984 crop soybeans will be eligible for loans and purchases since USDA does not require farmers to take part in production adjust-

ment programs as a condition of eligibility.

Rank said current law provides for loan rates to be at a level equal to 75 percent of the simple average price received by farmers during the past five years, excluding the high year and the low year. However, the loan rate must be set at less than \$5.02 per bushel.

Soybeans are not eligible for the farmer-owned reserve programs or for storage payments, Rank said.

Notice

Registered voters are eligible to vote absentee ballots if they are physically incapacitated or will be absent from regular polling places on November 6. Applications may be made at the

Election office - 9 a.m. - 4 p.m. Monday through Friday. Cut-off date for obtaining an application is November 1.

Flu Shots To Be Given

The Coffee County Health Department announces flu shots will be given on October 22 and 29, 1984 from 2 till 4 p.m. The cost of the shots will be \$5.00.

4-H NEWS

4-H CLUB MEMBERS

Well, now 4-H Club members of 4-H are learning about 4-H now. Today we learned the 4-H pledge and got the officers. They are: president, Felicia Cole, vice-president, Amy Giles, secretary, Jessica Patterson, reporter-Misty Miller, devotional leader-Tamara Rowe, song leaders-Stacy Lane, Charlene Locke.

I think they are a little scared. Our teacher is Mrs. Hughes from New Brockton. She is going to do the 4-H pledge. And we are going to have it every month and every Monday. We are going to have it on through the year.

Attention Cotton Farmers

List Of Eligible Voters Are Posted For ASC Elections

On October 4, 1984 a list of the names of all eligible voters was made to receive ballots in the upcoming annual ASC committee election will be available in the county ASCS office, reports Robert English, Chairperson of the Coffee County ASC Committee. Farmers are also being considered as candidates for the ASC election on October 4.

ASCS, an agency of the U.S. Department of Agriculture, is responsible for farm program administration. On the local level, ASCS operates under a farmer-elected committee system. This year's elections will be by mail ballot between November 23 and December 1. Each voter will get one ballot at the County ASCS office.

Anyone who meets the following requirements is eligible to vote in these farmer committee elections: any individual of legal voting age with an interest in a farm as owner,

operator, tenant, or sharecropper who is eligible to participate in any ASCS programs.

Several general provisions relate to voter eligibility. A wife who operates a farm with her husband can vote if her name is on the deed of conveyance. Any person under legal voting age can vote if he or she runs a farm and has a child under 16 years of age. No person can be denied the right to vote because of race, sex, age, color, religion, or national origin.

A person may cast a ballot in any community in which he or she is an eligible ASC voter, but he or she cannot vote in more than one community in the county. Each eligible voter has separate farm interests in more than one community in the same county; special care will be taken to see that only one ballot is issued to that voter.

LEADERS

We are proud that the 4-H Club leaders in the New Brockton Elementary School, and parents appreciate these teachers also. In addition to their teaching duties, they meet once a month with the club, and with the parents who are members, to discuss the moves to be made with their projects and activities. Teachers serving as 4-H leaders in the elementary school this year are Mrs. Ellis Burrows, Mrs. Leahly Bryan, Mrs. Jean Wakefield, Mrs. Sharon Walker and Mrs. Margaret Johnson. Most of the leaders have served several years.

Four-H leaders serve a real commitment, not only in labor of the 4-H Club meetings. We appreciate each one who takes time and shows patience in working with these young people. With all of us working together, 4-H will become better and help more of the young people.

In the Chianina heifer class Bo Boyd of New Brockton placed third and Brett Bryan placed second. In the Polled Hereford class, Bo Boyd placed first in the Chianina heifer breeds; Brett Dennis of Mt. Pleasant placed second in the Class II Division and also second in Class IV.

Congratulations to Brett, Achieving his honours.

LIVESTOCK

County 4-H Club members spent Friday and Saturday at the State Heifer Show. We are one of the few counties in south Alabama participating in the show. Show heifers in Birmingham are Troy Dennis, Bo Boyd, Charlie Bozeman, Brett Bryan, Jason McLeod, and Brian McLeod.

Parents participated in the show. This is an excellent opportunity for our young people and adults who are interested in beef cattle production to gain some valuable training.

LIMING

With fall approaching, you should plan to buy fruit trees for home planting. Variety selection is the most important consideration. Before buying any fruit tree be sure the variety is adapted to your area.

Check with nurseries to be sure to carry the varieties you're interested in. If you order fruit trees by mail, remember that many mail order nurseries may be out of stock late in the winter.

Andrus Presley is working closely with breeders in the area to find the best varieties for your area.

Bareroot fruit trees had just been inverted this fall, and just now are starting to grow again. The root ball was not due to lack of rainfall. This field has not been limed in a number of years and has been planted to peanuts about 4-10 months of age to protect them against Bang's disease.

Folks in the Bang's control division are placing heavy emphasis on calf vaccination of replacement heifers and adding to protection against Bang's disease.

Reduction in ground water levels or long periods of drought may also cause a reduction in soil moisture, which is fatal to trees. At this time the plant could turn yellow, drop the leaves, or become very unthrifty.

It is best to prevent tree stress, change locations of your plants slowly. In other words, move them from the edge of the porch back next to the edge of the house in light.

Then when you move them inside the house, place them in front of a window for awhile before moving them into a low-light situation. This will help keep your plants looking healthier during the winter months.

PEANUT SITUATION

We have beginning to fall, and what I saw bather me. He brought a sample of peanuts to the office. As I looked at them, it occurred to me that these peanuts were not in good shape. 50 to 60 pounds of peanuts per acre. Our normal yield is an average of 2500 to 3000 pounds per acre.

POLICE REPORT

Well I watched every minute of the press conference Sunday night - you know the one they televised as a presidential debate. True to form, there was nothing exciting that came out of the encounter, nor was I expecting anything - but I watched anyway. We won't even try to convince anyone that either of the speakers won the exercise. In fact, both candidates fumbled the question. True to their poor example, the two candidates fielded the question with an intent look on their face, talked for the allotted time and in tight spots haven't answered the question yet! Oh well, we knew which candidate we were going to vote for months ago.

We read that Senator Heflin and challenger Albert Lee Smith had a debate also. This was reportedly a bit more heated than witnessed by far fewer people. It is a shame that the Democratic incumbent had to dissociate himself from the other candidate to assure re-election, but Senator Heflin made it clear to Alabama voters he embraced many of the ideas and programs of President Reagan and wouldn't be a puppet for Mondale. We don't expect Heflin to have any trouble, but then you never can tell.

The election is just around the corner and Alabama voters need to be making up their minds about several issues that have more than one candidate. There are also three constitutional amendments that we all need to study before election day. I have made up my mind all the way down the ballot, including the amendments, and will even publish those opinions next week - not to change your vote, but just 'cause' . . .

Congressman Dickinson was in town Tuesday soliciting votes and stopped to address a send-a-grade group studying elections, government or something. He said that they couldn't vote, but then in a few years they could and he planned to still be in Washington! Dickinson pointed out that he was now getting votes from young people who weren't even born when he first went to Washington in 1964.

Last Thursday I drove to Tuscaloosa, checked into a motel and proceeded to wait for Friday morning. Being a day earlier, I had time to kill. I had planned to attend Geronimo's, eat, drink, buy a book, then to feed my University of Alabama daughter/student, etc., I kept noticing one or two men leaning against the second-floor railing near my room talking and smoking, and just standing there in general. They always spoke and I assumed they were there for some meeting as I was, and they appeared just as bored with the wall. Well, when I went to breakfast at six Friday morning, so and behold one of them was still there, and I thought, "Now, that is too much! I am not going to breakfast with these guys!" So I did, and that was when Joann Mondale, wife of the Democratic presidential candidate, was also coming down the stairs to leave. Those men were Secret Service men and probably had guns under their coat or in their hip pocket! We also noted that Mrs. Mondale had several aides or assistants who could have almost been clones . . . all were young (mid-20's), wore dresses at mid-calf length, and even though they were uniforms, the ladies seemed to look alike. By the way, all seemed to be pretty also.

We keep reading that rain is covering the Southeast, but we have seen very little of it in Coffee County, Alabama. There have been some light showers in some areas, but not enough to cover the tracks in the dust.

One of the biggest features at the festival is the food department, with food of all descriptions. There will be the peanut butter, barbecue, baked beans, baked goods from the kitchens of some of the best cooks of Conecuh County and many other foods that will delight your taste buds.

Another spectacular feature of Heritage Day is the Mini County Fair which will feature competition in many areas. Anyone who is a resident of Conecuh County is eligible to enter in the Fair.

Items may be clothing, ceramic, macrame, needle point, canned goods, baked goods, crochet, embroidery, knitting, holiday designs and various others. Anyone wishing to enter an item should contact Mrs. Emily Brogdon at the County Extension Office, 578-1311.

Hy-Tyme will be performing throughout the day and will be the band for the silent auction. Other entertainment will be a puppet show, a high school band performance, harmonica playing by Evergreen's own Billy Hamilton, the Harry Phillips Band, Singerman Gospel Group and the Waymusters and many, many more.

The street dance this year will feature a dance contest. Everyone is invited to participate, regardless of age.

There will be a breakfest, where there will be slow dancing, fast dance or just stand around and watch come to the street dance for an evening of clean family fun.

Booths will have been favorites in the past - quilted goods, needlework, and宏es, dolls, bookends, and many others. A new booth which will be featured this year will have charcoal sketches. These sketches may feature an individual or anything that an individual wishes.

Class Of 1934 Has Reunion

The 1934 Elba High School graduating class met for a 50-year reunion Saturday night, October 20, at Becky's Buffet in Elba. The group enjoyed the delicious food at Becky's and then met at Mrs. Erie (Moore) Crook's home to celebrate the birthday of Mary Irene (Hamm) Bowers. Eleven class members were present. The accompanying photos show the 1984 group and the class as it appeared in 1934.

New Season Study Club

Sponsors Voter Registration

The New Seasons Study Club is encouraging all voters to go to the polls and be counted on November 6. To encourage registration, the club had two booths available on Saturday, October 20, for voter registration, in cooperation with the Coffee County Board of Registrars, and Secretary of State Don Siegman. Mrs. Candace Vaughan was chairwoman for the project.

Mrs. Vaughan reports that many

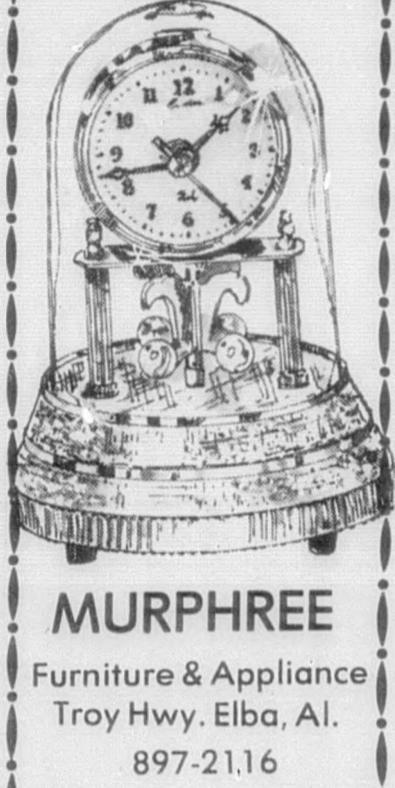

people took advantage of this opportunity to register and to change places of residency.

Foster Families Needed In Coffee County

From the Coffee County Foster Parent Program. Call Hansen service agency with the Coffee County Department of Pensions and Security, states that the foster parent program in Coffee County meets a very special and worthwhile need. These families take in children into their homes who cannot live with their natural parents or relatives. Coffee County currently has 16 families that serve as foster parents. However, most foster parents are needed to assist the growing number of children coming to the attention of the county department.

Children who are placed with foster parents come into the custody of the Department of Pensions and Security. These children are often abandoned, abused, or neglected. Consequently, these children have a tremendous need for the love and care of a stable family. The foster parents are asked to provide a stable home environment for the child to provide to these children with this love and affection that they need for healthy emotional development. Once these children are placed in a foster home, they remain with their foster parents for a few days to several years.

The county department does not like to leave children in foster care for periods longer than one year. However, there are circumstances that require foster children to remain in foster care much longer than this one year time period. Foster parents help the children admit the losses or injuries they have suffered. They provide food, shelter, medical care, clothing, the aid of DPS board payment and medical expenses.

Foster parents are of a tender age and the quality of care is very important. The foster parents work very closely with the social worker at the child's needs are best met and that the damage that has been done to the child will be minimal through the corrective experience of a foster home placement. As a result, the foster care experience can have a positive and healing effect on a child.

The Coffee County Department needs more foster parents and particularly black families are needed to provide care to many of these children. If anyone is interested in becoming approved as a foster home, you are encouraged to contact the Coffee County Department of Pensions and Security, Hansen Service Agency, 897-3424, or write Coffee County Department of Pensions and Security, P.O. Box 448, Elba, AL 36323.

CLUB MEETINGS AT ZC

Five Zion Chapel clubs recently held meetings, during which they elected officers. The presidents of the clubs are FFA-David Rainey, FHA-Krista Dyess, Beta Club-Rhonda Senn, Spanish Club-Jane Stewart, and Student Council-Kim Brunson.

Z.C. SPANISH CLUB

For the first time at Zion Chapel there is a Spanish Club. The first meeting was held sixth period Wednesday, October 17, to elect officers and get a group of members interested in participating in the club. The sponsor, Mrs. Angelina Geiger, told the group some of the responsibilities of club officers. Officer nominations were held when she finished, and those elected for 1984-85 were: Janet Stewart - president; Samantha Waddell - vice president; Sharon Pope - secretary; Dee Dee Gatlin - treasurer; and Vicki Rista - dyess. Other officers were: Kim Brunson - vice president; Linda Simmons - treasurer; Jimbo Bryan - Becky Huckabee and Cheryl Faison. Mrs. Geiger also discussed fund raisers for the school year. The meeting was adjourned when president Janet Stewart requested that all those members in favor of adjourning say "Amen."

FHA HOLDS FIRST MEETING

BY KISTA DYESS

The Zion Chapel chapter of Future Homemakers of America met for the first time on October 17 in the home economics department. There were no minutes to read since this was the first meeting. Officers for the 84-85 school year were elected, and president is Krista Dyess. Vice president, Janet Stewart; Secretary - Vicki Rista; Treasurer - Linda Simmons; Representative from each home ec. class were also introduced. From the first-period class are Tammy Duncan and Wayne Davis; second - Jeff Hussey and Lisa Holcomb; third - Bobby Hill and Cynthia Williams; fourth - Steve Carney and Keisha Ward; sixth - Tarey Hayes. These representatives will meet with their respective officers to discuss future plans. Secretary Kelly Sheffield called the roll. Mrs. Hilton, club sponsor, discussed a peanut recipe contest coming up soon, which is offered to anyone who is interested. Janet Stewart, vice president, introduced the speaker, Mrs. Belinda Russell, from the March of Dimes of Montgomery. Mrs. Russell presented a check for \$100 to the Zion Chapel chapter of F.H.A. Carol: "After the film had been seen, a question was asked and answered. Mrs. Russell asked the girls to be excused, and then showed slides on genital herpes to the boys of the group. These slides were very personal and were later shown to the girls. These F.H.A. members were the first students to view the newly-released slides. We were very pleased to have Mrs. Russell with us and she shared some very valuable information. The next meeting will be held in November and guest speaker will be Rev. Lanny Shepard."

STUDENT COUNCIL

The order of business for the first meeting of the Student Council was to elect officers for the 1984-85 school year. President is Kim Brunson; vice president - Lynn Duncan; secretary - Beth Murphy. Other members include Scotty Chanceller, Franklin Downing, James Haynes, Gail Hall, Vanessa Hudson, Randy Flowers, Jackie Herbert, Angie White and Todd Rugg.

BETA CLUB HOLDS FIRST MEETING

BY JULIE DAVIS

Zion Chapel's first Beta Club meeting of the year was called to order by the president Rhonda Senn. Other officers are: vice president - Teresa Hines; secretary - Linda Anderson, who then called the roll. All members were present. Rhonda explained to the members that they are required to them and their obligations to the Beta Club. She also told the new members they must pay a \$9.00 initiation fee, with eight dollars going to the state and one remaining in the local club. She then told the club they would start selling holiday gifts and cookies on Friday, October 26. They have two weeks, October 26 - November 9 - to sell \$100 worth each. Money raised from this project will be used to buy gifts for their special Christmas party. New members then left the meeting so that initiation could be discussed. The meeting was adjourned.

FFA MEETING

BY JASON "GATOR" HUSSEY

Zion Chapel Chapter of Future Farmers of America held their first monthly meeting last week, and familiarized the members with FFA parliamentary procedure. Mr. Harold Stewart, FFA advisor at ZC, provided information about the sale of oranges, which ZC's FFA began selling last week. Anybody is free to purchase oranges, maples and ZC member. Officers for 1984-85 are: president - David Rainey; vice president - Steve Nelson; secretary - Sarah Campbell; treasurer - Michael Hill; reporter - Jason Hussey; and sentinel - Randall Barr. Janet Stewart and Bobby Hill were elected as alternates in the absence of some officer.

Beginner Band Classes Meet

BY RHONDA SENN

There is a whole year full of only playing familiar melodies and dapping around on rhythm sticks. Is worth all the trouble in beginner band? If this question was asked to the beginner band students, you would definitely get a positive yes.

The students are extremely excited about being in the Zion Chapel Marching Band because they realize what a truly rewarding experience it is. Band not only teaches the students discipline and responsibility, but it also rewards them by giving them the experience

of entertaining audiences.

There are 45 students in the fifth grade and high school beginner classes, and seven in the sixth grade.

When asked about the beginner band classes, Mr. Senn, the band director at ZC, stated, "We are extremely fortunate that the administration of Coffee County and our school understands and supports the importance of music and art in the elementary and junior high grades.

Mr. Senn said, "I feel good, so far, that this year has been a success and I have enjoyed working with all the students."

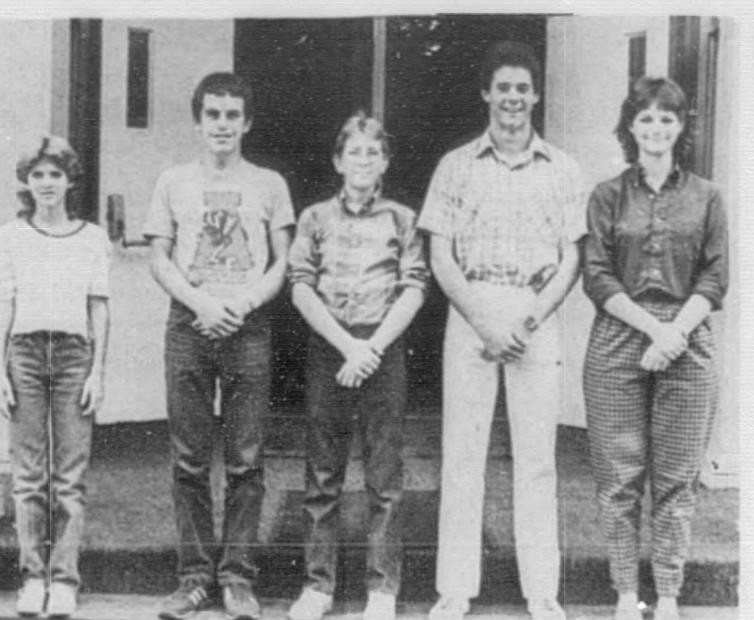

The beginner band students are great on playing ability, rhythm counting, and musicality and product. They have approximately five tests every six weeks. The beginning students understand these strict

measures because they know they must work hard to join the ranks of the Z.C.H.S. Band.

FHA Has First Competitive Event In 40 - Year History

BY: JANET STEWART

The old saying "Everybody else is doing it" now applies to the Future Homemakers of America. For years, FHA has emphasized competing with oneself to become the best person one could be. Now FHA's have the opportunity to compete against others at different levels of competition in the "Peanut Recipe Event."

With the assistance of the Alabama Peanut Producers, FHA will encourage members to compete in this contest. Competitors will create an original main dish recipe using peanuts.

Mrs. Elsie Hilton, FHA advisor from Zion Chapel, has been chosen chairperson of the county event to be held in Elba. She says that about 100 all Zion Chapel FHA members will enter the contest.

For more information about the Peanut Recipe Event, please contact Mrs. Hilton.

Candidates Selected

For Harvest King

And Queen

BY: SARAH CAMPBELL

Elementary students are making preparations for the coronation of a Harvest King and Queen. Candidates for this event, ranging from kindergarten to the fifth grade, are all trying to make more than the other candidates to be the Harvest King and Queen. It takes 1 cent for one vote.

In the kindergarten class Brian Sullivan is running for King and Amber Shiver for Queen. The first two girls chosen, Jennifer and Pam Johnson, are the third graders. The third grade has three boys, Jason Reeves, Jerry Johnsons, and Barbara Flowers, and two girls, Patricia Koch and Beverly Flowers. For the fourth grade Tammy Duncan and Wayne Davis are candidates. Tami Carlisle is the only candidate for the fifth grade.

Harvest King and Queen candidates had to have their parents permission to run and a vote from their classmates.

Making-money activities include selling baked goods and treats. Chances are being sold on a \$100 plus an AM radio, an electric blanket, a portable cassette tape player, a four-slice toaster, a kerosene lamp, a cured ham, two Rebel football tickets, and two Clark Cinema movie passes. These are prizes to be won by the candidates. Chances are a twenty-five dollar gift certificate from the Save-A-Cent food store, and Wal-Mart are also being sold.

Chances can be bought from Sept. 30 through Oct. 27, when the Harvest King and Queen will be crowned.

Bulldog quarterback Glen Barnes (11) turns to hand off to Alvin Henderson (25) as Zion Chapel's Bobby Flowers (60) moves in hopes of making the tackle.

Zion Chapel's Bobby Hall (2) races downfield as Kinston's Glen Barnes (11) and Joel Hill (18) try to cut off his path to the goal line.

Rebels upset Kinston 28-25 in overtime thriller

STORY & PICTURES BY
GREG BRUNSON

This past Friday night I traveled to Kinston to cover a football game between the Kinston Bulldogs and the Zion Chapel Rebels. What I

witnessed turned out to be the best ball game I have seen in years. The Rebels dominated the first two-and-a-half quarters giving the Bulldogs a 22-0 lead, only to see the Bulldogs back to tie the game at 22-22, setting the

stage for a heart-stopping overtime.

Both teams scored in the overtime, making the final score - Zion Chapel 28, Kinston 25.

Kinston had the opening kickoff and picked up two quick first downs before being forced to punt. The Rebels got the ball on their own 15-yard line and put together a beautiful 16-play drive that covered 85 yards. The last 20 yards were yards on five carries to lead this drive, but the touchdown would go to Bobby Hill on a three-yard dive play.

Michael Hill scored in the two-point conversion to give Zion Chapel an 8-0 lead with 2:21 remaining in the first quarter.

The next four possessions consisted of three plays and a punt. This extended the Bulldogs' lead to 25-0 at the Kinston 37-yard line. Bobby Hill scored his second touchdown of the evening on a one-yard plunge on the eighth play of this drive. Tony Shiver booted the extra point, making the ZC lead 15-0 with 1:36 to play in the half.

Kinston managed two quick downs getting the ball to the Rebels 30-yard line, but the clock ran out there.

At the half, the Zion Chapel Band did another superb job presenting their show. The Kinston band then took the field and performed. Their bands had been playing each other since that it doesn't even make the same bunch. At the end of their performance, the stadium lights were turned out and fans were treated to a beautiful fireworks show.

As the second half opened, the Rebels added to the fireworks of the night. They put together a 10-play drive that covered 60 yards and ended in a two-yard touchdown run by Bobby Hill. Michael Hill pitched 27 yards on four carries and passed to Dennis Evans for 13 more during this drive. Wayne Nelson rushed for the two-point conversion, stretching the Rebels' lead to 22-0 with 7:41 to go in the third quarter.

The Bulldogs took the kickoff and were again unable to move the ball, so they punted. The kick was mishandled by the Rebels and Danny Barron recovered it in their own 45-yard line. Six plays later, the Bulldogs put their first points of the night on the board. The touchdown came as Glen Barnes rolled to the left and found a pass to Gary Glass in the endzone. Jerry Jones passed to Glass for the two-point conversion, cutting the Rebels' lead to 22-8 with 3:48 remaining in the third quarter.

Zion Chapel had one first down on their next possession before being forced to punt. Tony Shiver got off a 38-yard kick that Alvin Henderson fielded on a 10-yard return. The Rebels gained only 45 yards giving Kinston another field position. On first down, Henderson gained nine yards, then it was Leroy Barro for eight more. Glen Barnes picked up the ball on the 13-yard line. Henderson carried the ball three times to the one, and Barnes pushed in from one yard out on a quarterback sneak. Tony Reeves booted the extra point, cutting the lead to 22-15 with 1:51 left in the third quarter.

Kinston had their kicker, Frank Boutwell, attempt an onside kick that was recovered by Alvin Henderson. The Bulldogs moved to the Rebel 25-yard line, but the Zion Chapel defense rose to the occasion and sacked Barnes on a fourth-and-one.

The Rebels managed one first down before being forced to punt. The kick gave the Bulldogs the ball on the Kinston 19-yard line. The first play of this drive was a quick snap that caught the Rebels off guard. Alvin Henderson raced down the left sideline for 10 yards to the Z.C. 28. The play ended as Glen Barnes again found Gary Glass in the endzone for an 11-yard touchdown pass. Tony Reeves added the extra point, and with 2:12 to go in the ball game the score was 28-15.

The Rebels got the ball on their own 28-yard line with only 2:05 to play. Michael Hill rolled right, found press... but threw the ball to Wayne Nelson. Nelson cut back

across the grain and picked up 38 yards-plus on a 15-yard face mask penalty to the 20-yard line. Three rushes netted six yards, and with 10 seconds left, Tony Shiver stepped up to try a 30-yard field goal. The Bulldogs broke through and Douglas Edwards blocked the attempt, sending the game into overtime.

Kinston had the ball first in the overtime and gained several yards on three tries. On fourth down, Tony Reeves kicked a 20-yard field goal, giving the Bulldogs the lead at 25-22. Z.C. responded with five yards on their first two snaps, but a costly penalty against Kinston for too many men on the field put the ball at the seven-yard line. Michael Hill rushed for six yards to the Z.C. line, then on fourth-and-one, Bobby Hill rushed in from one yard, giving Z.C. the hard-earned victory 28-25.

Kinston halfback Paul Folmar (10) heads upfield for a good gain in the Bulldogs' loss to Zion Chapel last week.

Kinston halfback Alvin Henderson (25) looks for running room in the Bulldogs' 28-25 loss to Zion Chapel.
